**MINGO SWAMP FRIENDS** assists the U.S. Fish and Wildlife Service by raising funds and public awareness, and providing volunteers for needed projects on the Mingo National Wildlife Refuge.

Through the generosity of individuals and businesses, and with the help of grants from private foundations, the **FRIENDS** support a variety of programs that benefit the refuge. These include:

- Protecting natural resources
- Improving trails, boardwalks and shelters
- Planting and maintaining food plots
- Supporting educational programs
- Assisting with public events and activities
- Operating the Visitor Center bookstore

We have more work to do! The annual refuge budget often falls short of needs, so the future of the refuge depends on the generous support of the public.

We are always looking for a few more **FRIENDS**, and we invite you to join us today. Please fill out the attached membership form and send it, along with your check, to the address listed.

**AND THANK YOU  
FOR BEING A FRIEND!**
